

What Treatment Options Does the Kildare Road Medical Centre Skin Cancer Clinic Offer?

- If you require treatment for skin cancer then the treatment options will depend on the type of skin cancer you have and its severity.
- Your doctor will discuss potential treatments with you and the relevant pricing. Treatments can include surgery and/or non-surgical treatment.
- Remember that early detection generally requires less intervention and often leads to a better outcome.

How Much Does the Skin Cancer Clinic Cost?

- Services provided by Kildare Road Medical Centre Skin Cancer Clinic are privately billed.
- Patients book in for an initial standard 15 minute consult. This is charged at \$125. Patients with a valid Medicare Card will receive a rebate of \$76.95. The out of pocket expense for a patient will be \$48.05.
- After the doctor does the assessment, the doctor will decide if the patient needs a procedure or not.
- If your doctor determines that you need a procedure, they will notify you of the cost.
